MANITOBA

Dementia Care & Brain Health

*You are invited to be part of a Care Partners
discussion group that will explore:*

Ambiguous Loss when Caring for A Person with Dementia

Thursday, September 20, 2018 -Thursday, December 13, 2018

Group meets every two weeks

10 – 11:30 am

Alzheimer Society Office

10 - 120 Donald St., Winnipeg

The group will be a time limited, closed group that assists care partners to work through the ambiguous loss and grief that is experienced when someone close to them has dementia. The objective of the group is for attendees to build personal resilience and plan for the future.

Group Facilitator: *Norma Kirkby, Program Director at the Alzheimer Society of Manitoba and other Alzheimer Society staff and volunteers*

To register for this group contact Norma at 204-943-6622 or by emailing nkirkby@alzheimer.mb.ca by Monday, September 10, 2018.
