

What's New in Dementia Research?

Ask the Expert!

September 21, 2023 | 6 - 7:30 pm
Canadian Mennonite University
500 Shaftesbury Blvd, Winnipeg, MB

*with live streaming events at participating
Alzheimer Society regional locations*

**Do you have questions about the causes,
risk factors or treatments of dementia?**

Join us on World Alzheimer's Day to learn more about dementia and have your questions answered live by world-renowned researcher and neurologist Dr. Donald Weaver.

**Hear what participants have to say about
last year's event featuring Dr. Weaver...**

"... This is one of the most informative meetings I've ever been to! There were really great questions asked by people attending and I got a lot of good information..."

"Dr. Weaver's ability to convey information in a way all can understand is so engaging. Bravo and thank you to all."

Featuring Dr. Donald Weaver

Director & Senior Scientist,
Krembil Brain Institute,
University Health Network, Toronto
